Subject: Re: Question on waste treatment exclusion and jurisdiction of adjacent wetlands.

---

I asked Toney to forward the maps. She may have sent them to Erin but I don't remember. Whoever can get them to Russ, please do. I would appreciate it if someone would please set up a meeting - preferably not t- weds noon which is OW review time.

Karen,

Yes, I agree that we should talk... I know donna is in training tues-thur and on cdo today. Friday would work for me but I will need donna to weigh in...

I look forward to learning more about the specifics of the case...

Note that I have also included Erin on the chain as she was a WD ORISE on the jurisdiction team and currently works with the WTE in Brian Frazer's office... Thus, I

would be very interested to hear her thoughts on the case as well...

Thanks!

Happy Holidays!!!

Hi all

We have been working with the Corps on a JD for wetlands at the Climax Molybdenum Mine near Leadville, CO.

[REDACTED]

[REDACTED]

I know you all are overwhelmed with WOUS but if we could have 20-30 mins to talk through this with you and how to put it in writing for the Corps, given the expected appeal and lawsuit, it would be great. We will be meeting with the Corps again on the 17<sup>th</sup> of December.

Thanks and Happy Thanksgiving!

Hi –

We need to find out from HQ (Russ/Donna and OGC) whether [REDACTED]

If you could contact Russ and Donna and let them know that we need to get an answer to that question, I can get in touch with OGC. If Russ and Donna are available while you're out next week, I can talk with them if they have time and you are OK with me talking with them w/o you...

We also need to know whether they will be OK with us opining on this in writing and in what format. [REDACTED]

Thanks!

Erin
